

# Please join us in congratulating our Science Bowl Team for placing in the Top 8 at the national competition!

Congratulations to Samanyu, Daniel, Chengcheng, Pranit and Claire. We are so proud of you!! They competed against 47 teams from the continental U.S., Puerto Rico and the U.S. Virgin Islands. By placing in the top eight, our team earned \$1000 for IAR! A big shout out to their coach, Mrs. Stacy, and their Science Bowl peers for preparing them so well.

We are
