Farmington High School Athletic Department
 Matt Martorelli
 1 Monticelli Drive
 Farmington, CT 06032

Dear Matt,

Thank you! On behalf of the Board of Directors of the Connecticut Breast Health Initiative (CT BHI), I extend our sincere thank-you for your contribution to CT BHI. Thank you for your donation of \$514 from the ticket sales of the Girls' Soccer Pink Out Game, which will further our ability to fulfill CT BHI's Mission of making a difference locally in the fight against breast cancer by providing grants to support education and research.

We thank you not only for your continued support but also for your encouragement and enthusiasm for the work of CT BHI. Every penny we raise, every dollar donated, stays in Connecticut where dedicated researchers and educators are pursuing advances leading to a cure and survivorship quality of life. To date, we have funded over \$4.6 million in CT in 113 grants to breast cancer researchers.

CT BHI has focused all our considerable energy and resources on education, research and prevention, funding cutting edge programs that have yet to qualify for federal grants. We are fortunate to have you as a partner in our initiatives to support so many dedicated and talented researchers in our own state. Please go to our website, ctbhi.org and visit the "Grants" section to view the work being done right here at home.

HAPPY HOLIDAYS
